

STATINTL

Monday - 19 March 1951

1. Called Rep. Lucas of Texas per instructions of [redacted] and informed him that General Smith had not yet gotten the answer to the questions discussed with the Congressman on 17 February as the person with the answers was still out of the country. However, this gentleman is expected back next week and we will inform Congressman Lucas as soon as we have the information.

2. Mr. Chambers, of the Senate Armed Services Committee, requests that the Director appear before the Committee at 10 a.m. 21 March in support of CIA legislation. At that time a special subcommittee will consider all activities of CIA. Chairman Russell has appointed a subcommittee consisting of himself and Senators Byrd, Stennis, Saltonstall and Knowland.
